Reading practice sessions with decodable reading books three times a week

Notes for these lessons

- Practise reading new words with word cards showing the sound button side.
- GPCs in red are in the 'Phonics screening check'. Words in red and brackets were tricky words that are now decodable.
- */ar/ 'half': If your regional accent does not follow this pronunciation, miss out the **New GPC** section but practise reading these words.
- Lesson 5: **Sort the words:** Ask the children to identify the phoneme /ch/ in the words. Are there any words with /ch/ at the beginning? Which graphemes are making the /ch/ sound?
- The grapheme 'ture' has a slight schwa at the end in words so we pronounce it 'chuh'. For ease of reference you will find it under under /ch/ in the Grow the code charts.
